- Reporting & Professionalism: Daily/Weekly/Monthly reporting of calls, visits, quotations, sales; accurate lead database; confidentiality of client information
- Leadership: Empathy, Conflict Resolution, Team Scaling, Mentoring, Multicultural Leadership, Change Management, P&L Management, Data-Driven Decision Making

PROFESSIONAL EXPERIENCE – REFRAMED FOR BUSINESS DEVELOPMENT

Marketing Head & Business Development | Trikonekt Multi Online Service Pvt Ltd | 2026 – Present

- Orchestrated the business blueprint for the business workflow.

- Started building a Web & Mobile system using VS Code, with Java & Python across user dashboards, Education, Merchants, Agents, Delivery partners and Interactive Admin Panels to monitor and drive the business profit workflow successfully.
- Drive regional sales strategies to expand commercial & residential market share – prospecting startups, retail shops, clinics, hotels, real estate, etc.
- Manage and maintain prospect database, and drive follow-ups – aligning with the organisation's input.
- Content creation on educational videos, curriculum and syllabus to keep agents engaged for continuous growth without retention problems.
- Change and Para sync knowledge and workflow between and across the domains, where the necessary changes happen within the founders' and users' requirements.

Regional Head – Business & Operations | Seqcure India Pest Control (PAN India) | 2025 – 2026

- Direct regional branch offices to achieve service delivery and revenue targets – equivalent to BD sales targets at SIPC
- Drive regional sales strategies to expand commercial & residential market share – prospecting startups, retail shops, clinics, hotels, real estate
- Manage key accounts, conduct business visits, maintain prospect database, and drive follow-ups – aligning with JD sections 3D, 3E, 3J
- Lead independent BD activities as an individual contributor, generating qualified leads through cold calls, field visits, WhatsApp and referrals

General Manager | Nesto Hypermarket (UAE) & Western International Group | 2023 – 2025

- Developed and executed strategic sales plans, consistently achieving and surpassing monthly & annual sales targets through data-driven decision-making
- Conducted in-depth analysis of sales reports & competitor activities to implement corrective actions – mirrors JD requirement for market research & competitor analysis
- Built and mentored high-performing sales teams via training on standards, market trends, visual merchandising, customer service excellence
- Ensured legal compliance, optimal stock, strict cash management, shrinkage prevention – resulting in significant cost savings (+12% Gross Margin, Rs. 1M inventory reduction)
- Coordinated in-store marketing, promotions, and CRM initiatives to boost sales and customer loyalty – similar to selling digital marketing & social media services

Store Manager → Regional E-commerce & HR Executive | Vishal Mega Mart (PAN India: Goa, Karnataka, Kerala, Telangana, AP) | 2019 – 2023

- Evaluated store-level delivery performance and reliability with focus on customer satisfaction – built strong client relationships for repeat business
- Negotiated contracts and e-commerce terms to maximise purchasing value and reduce costs – negotiation & persuasion skills.

- Managed lead generation for e-commerce growth, leveraged data insights (Tableau, Power BI, SAP) to drive operational effectiveness – directly relevant to selling tech solutions
- Maintained detailed records of purchases, inventory levels, and supplier performance – accurate record-keeping as fetched.

Restaurant General Manager (Part-time Crew → GM) | Devyani International Ltd (Pizza Hut & Related Brands) | 2005 – 2019

- Expanded distribution network by identifying and developing 10+ new sales outlets – pure business development & market expansion
- Executed promotional campaigns and lead-generation strategies to drive business growth in hotels & restaurants segment – core PL CREATIONS audience
- Designed and executed sales strategies to consistently meet and exceed sales targets – achievement orientation for individual contributor role
- Managed team performance, internal quality control, financial transaction records – P&L ownership, daily reporting discipline

ADDITIONAL OPERATIONS EXPERIENCE – RELEVANT TO PL CREATIONS SEGMENTS

Pizza Hut, Sodexo, Godrej Nature's Basket, Lalit Ashok — Food Safety, Hygiene & Culinary Operations | Hands-on experience in F&B control, food safety standards, hygiene protocols, culinary strategy for local flavours, seasonal relevance, storytelling, partnerships, and measurable guest engagement – deep understanding of hotels & restaurants clientele needs.

KEY ACHIEVEMENTS – QUANTIFIABLE

- Improved Gross Margin by 12% through strategic pricing and cost optimization
- Reduced Inventory Costs by Rs. 1 Million via data analytics and process improvement
- Boosted Customer Satisfaction Scores by 20% through service excellence and CRM initiatives
- Led 500+ staff in Dubai hypermarkets and PAN-India operations
- Built HR analytics models and integrated business & operational setups with BI/Tableau – Advanced GitHub projects in Java & Python for AI/ML
